

## **FOCUSING ON STANDARD 4: FACILITATING IMPROVEMENTS IN INSTRUCTION AND STUDENT LEARNING**

### **What Is This Un-Conference About?**

- Teacher leaders will be able to share out about how they facilitate improvements in their own instruction.
- Discussions about student learning – what frustrates us, what works, how we motivate students and many more topics are possibilities for discussion.
- Critical thinking skills, teamwork, leadership qualities, and communication are other possible topics.
- Discussions will be teacher led and will be driven by comments and thoughts from participants.
- No set session topics.

These are the topics that the **Leadership Collective** suggested in a survey regarding Standard 4:
